ABOUT CAMP CHERITH

Camp Cherith desires to honour God and derives its understanding and beliefs about all aspects of life from the Bible, God's message to mankind.

OUR GOALS

1. To enable children to enter into a personal relationship with Christ and to know his Word
2. To enable children to form healthy relationships
3. To enable children to grow as whole persons
4. To enable young people to develop leadership skills

About the Executive Director

Hi my name is Heather-Lynn Huston and I have grown up at Camp Cherith. I started appearing at camp at a very young age, attended the CILT program and have worked on staff every summer since, doing every job imaginable. At camp I am known as TAZ. I have 3 children who have all grown up attending camp every summer, 2 of which are now serving on staff. I have been a nurse for the last 18 years and have worked in many different areas, from new born to dementia care. My love for children, and desire to share Jesus with others, meant that I served in the nursery at my Church, became a youth leader for many years and now the Executive Director of Camp Cherith. I am excited about what God has called me to and am looking forward to sharing Christ with the many children who come through camp. ~ Heather-Lynn

Then the word of the LORD came to Elijah: "Leave here, turn eastward and hide in the Cherith Ravine, east of the Jordan. You will drink from the brook and I have ordered the ravens to feed you there." 1 Kings 17:2-4

TESTIMONIALS

It was so great to be back at Cherith this summer, we really missed it. The welcoming smiles and warm atmosphere. The care and attention my daughter got while at camp is beyond words. Thank you -- a Parent

I have had so much fun, I am coming back another week this summer- a camper

My son came home with a deeper understanding of the who Jesus is, and that can only be because of the examples the staff are to the campers and the teaching they received. -- A parent

My daughter was unsure about how she'd fit in at camp, and let alone on staff, as having never been to a camp before, you all made her feel welcomed and like she belonged, she can't wait to serve again next summer. Thank you -- a Parent of a staff member

My son has difficulties fitting in and in school, he has some issues, the way that you speak about my son and the love you show him, shows me he is more than what his teachers say, and he can be seen in a light that amazing. You have shown kindness and compassion and worked with my son in ways no one else has. You have a passion for kids and it shows. Thank you --A parent of a CLIT

Your day camp is by far the best according to my son. He has attended many this summer and every night he's come home and raved about Cherith and he can't wait to come back the next day. We are planning on sending for a full week next summer. --A parent of a day camper.
