# ABOUT CAMP CHERITH

Camp Cherith desires to honour God and derives its understanding and beliefs about all aspects of life from the Bible, God's message to mankind.

## OUR GOALS

1. To enable children to enter into a personal relationship with Christ and to know his Word
2. To enable children to form healthy relationships
3. To enable children to grow as whole persons
4. To enable young people to develop leadership skills

## About the Executive Director

Hi my name is Heather-Lynn Huston and I have grown up at Camp Cherith. I started appearing at camp at a very young age, attended the CILT program and have worked on staff every summer since, doing every job imaginable. At camp I am known as TAZ. I have 3 children who have all grown up attending camp every summer, 2 of which are now serving on staff. I have been a nurse for the last 18 years and have worked in many different areas, from new born to dementia care. My love for children, and desire to share Jesus with others, meant that I served in the nursery at my Church, became a youth leader for many years and now the Executive Director of Camp Cherith. I am excited about what God has called me to and am looking forward to sharing Christ with the many children who come through camp. ~ Heather-Lynn

*Then the word of the LORD came to Elijah: "Leave here, turn eastward and hide in the Cherith Ravine, east of the Jordan. You will drink from the brook and I have ordered the ravens to feed you there." 1 Kings 17:2-4*

## Testimonials

*"Just love camp. Love everything about it, tuck, the horses, theatre. I love that all these are merged with teaching about God. I give camp 9.5/10"*

*"I can't wait to be a leader at camp when I am older. I give camp a 10/10"*

*"I loved Camp Cherith. I loved the fishing, the cabin leader I had was amazing. The wildlife, doing crafts especially the wire tree I made. I give camp a 9/10"*

*"Camp was great for my kids. The ability to send all of them to the same camp at the same time was amazing, and very helpful as my one daughter is shy and quiet so having her siblings with her in activities and at campfires was a huge help to help her come out of her shell and make new friends."*

*"The low ratio of staff to camper was a great draw for me. The lower numbers mean my child got the care and love they needed. They were seen and heard and got attention. They weren't just another number. The staff knew my child's name and genuinely cared about them."*

*"I learned how to swim at camp. There was an amazing teacher, but also another kid in the class who took time to encourage me and helped give me the confidence to dive in the deep end. I love making new friends and having the encouragement to try new scary things."*
